Meet Jessica, our Peer Leader Spotlight! Jessica is one of our peer leaders who has found many other ways to get involved at UNI as a Biology major with a Chemistry minor. She is an active:

- Member of HSAB
- Co-President of the Pre-Vet club
- Vice President of UNI Student Affiliates of the American Chemical Society
- Member of Tri Beta
- Worker in the turtle lab in MSH

"The Honors Program has given me unique and fun opportunities that helped me develop connections with my peers, and a big part of that has been being a part of HSAB! I have had a chance to develop my leadership skills through HSAB and Honors seminars. I have also learned a lot of unique and interesting information through the various classes and seminars offered through the honors program and got to know the faculty better through these as well."
